i) The Md Govt want to change the name from "octroi detectives" to "octroi peons" and to give them the same pay as Rs 15 p.m + 4 agents allowance of Rs 5 p.m. We do however think that a pay of Rs 12 p.m would be enough for the octroi peons and a conveyance allowance (cycle allowance) of Rs 5 p.m. maybe sanctioned.

ii) The system of the D.C Tumkur may be accepted for the current year octroi is a department where there would be leakage of revenue, as the temptation would be great especially to low paid subordinates

Sir,

Re grant of cycle allowance to Octroi peon in Tumkur Town Municipality

---

In continuation of this office letter of even number dated 4-11-1942, re continuance of certain temporary establishments of this Town Municipality during the current year, I have the honor to forward herewith in original the connected records relating to the grant of cycle allowance to the Octroi peon Narasingabhan, received from the President, Tumkur Town Municipal Council and to state as follows -

The President states that the appointment of two octroi detectives on Rs 15/- plus Rs 5/- during the year 1941-42 was sanctioned in G O No L 2846-47/ M1 4-41-32 dated 6-10-1941 Two local candidates were entertained by the Municipal Council from 1-11-1941 till the end of February 1942 when 2 candidates were posted from 2-3-1942 according to C R B Rules These two candidates were continued till the end of the month and their work was found to be not satisfactory since they had neither the aptitude for work nor the local knowledge as to where and how smuggling would take place for the detection of the same

As little work was turned out by these two detectives, one of the Councillors, Mr T N Kempahonnaiya brought a subject on the agenda of the Council that these two

two posts should be abolished and that 2 octroi peons on Rs 12/- be appointed in their place This was approved by the Council at their meeting held on 28-3-1942 and the two old incumbents were taken on duty, as they had worked well and improved the octroi revenue considerably and they are being continued as such at present One of them by name Narasingabhan is being continued while the other is on other duty

He is stated to have maintained a cycle and turning out streneous work, visiting every toll gate and keeping atch of the dutiable articles brought into the limits of the town Considering the above factors, the Municipal Council, have resolved at their meeting held on 25-7-1942 that a cycle allowance of Rs 5/- per mensem be paid for 3 months i e April, May and June 1942 and that the C A be paid to both the detectives during the current year

As regards the enhancement of the pay of one of the octroi peons to Rs 15/- per mensem, I have already furnished my opinion that I am not in favour of it, as there are no cases of octroi peons getting more than Rs 12/- per mensem in this District (vide letter of even number dated 4-11-1942)

As the President is of opinion that the allowance given to this man is not a waste and also in view of the fact the cost of cycle materials have gone up and also in order to create incentive to turn out better work, I am also of opinion that the recommendation of the President in regard to the grant of the cycle allowance as in the case of Octroi detectives during the current year and to the payment of the same for 3 months in the previous year, may be kindly sanctioned, and the extra expenditure be met out of the closing balance during the current year

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District

AD 1/12

on Rs 22-8-0 plus Rs 5/- per mensem This Official should supervise the work of both the Octroi and Toll Establishments in the Municipality

b) One Mohatarfa peon on Rs 10/- per mensem to work under the Revenue Inspector It is not necessary to give a peon to the Bill Collector on Rs 15/- plus Rs 5/-

3 Government do not consider it necessary to create the posts of 1) an Octroi Lanegar on Rs 15/- per mensem and, 2) Market Peon on Rs 5/- per mensem These items of work may be attended to by a suitable re-adjustment of the existing hands

4 The Deputy Commissioner, Tumkur District is requested to furnish further information as promised by him in regard to the creation of (1) two posts of Octroi peons in lieu of the existing Octroi Detectives and, (2) the Water-works Watchman

5 In regard to the Assistant Sanitary Inspector on Rs 25-1-35 plus Rs 5/- C A , information may be furnished as to how the services of the vaccinator have been disposed of and when the said Said Sanitary Inspector was posted to the Municipality

6 Government Observe that there is a tendency on the part of the Municipal Council to increase the establishment with the resultant increase in expenditure This should be avoided specially at a time when the Dearness Allowance has to be paid to the employees and other obligatory items of expenditure have to be met
